## South Island tourism

*The Canterbury Mayoral Forum has secured the agreement of all South Island Mayors and Chairs (of regional councils) to work together to develop a visitor destination management plan for the South Island.*

*The project will:*

- *analyse how visitors flow through all our regions*
- *identify the infrastructure and attractions we need to cater for current and projected visitor flows*
- *establish agreed priorities for local and central government investment*
- *ensure that tourism, and the infrastructure provided for tourists, benefits our communities and maintains a 'social licence to operate'.*

*An inter-regional steering group with representatives from all regions, MBIE and the Department of Conservation is chaired by Mayor Sam Broughton (Selwyn District).*

*We are applying to the Provincial Growth Fund for project co-funding.*

## THE MAYORAL FORUM PROVIDES LEADERSHIP, FACILITATION AND ADVOCACY FOR THE ECONOMIC AND SOCIAL DEVELOPMENT OF CANTERBURY

*... a strong regional economy with resilient, connected communities and a better quality of life for all.*
